OSCs,

Please let me know if you have site-specific travel that you plan to do by September 30th and have not submitted a travel request to Barb Thomas. Apparently, we have exhausted the site-specific travel budget and need to request from HQ the exact travel funds that we need to end the fiscal year. I need to give this information to Mandi by COB today, so please get your expected travel needs and associated costs for each trip to me **as soon as possible today**. Thank you, lw
